Re: East Cleveland Municipal Court's 2010 Annual Report

Dear Cuyahoga County Executive, County Council, Mayor and Council Members:

Enclosed is the 2010 Annual Report of the East Cleveland Municipal Court which summarizes the court's finances and caseload as required by Ohio Revised Code Section 1901.14(A)(4). This report also describes the daily operations of the Clerk of Court (which includes the small claims/civil division and the traffic/criminal division), the Bailiff Department and the Probation Department.

As you maybe aware, this is my fifth year as the presiding and administrative judge of the East Cleveland Municipal Court. The court has continued to function efficiently and effectively with a lean staff consisting of 16 full-time employees which include the Judge and 2 part-time magistrates which equals 1 full-time position. Due to the increase of criminal defendants' referral to the probation department, one of the criminal clerk positions was modified to 3/5 position in the Clerk's Office and 2/5 position in the Probation Department. The employees' names and biographical information are listed later in this report. As of October, 2009 1 full-time and 1 part-time Security Bailiffs were hired and funded through the Ohio Office of Criminal Justice Services, which is not included in the court's budgeted positions. These grant positions will terminate April 30, 2011. During 2010 over 32,000 visitors to the city hall and the court were screened and searched which resulted in the confiscation of over 100 weapons and/or potential weapons. Due to the importance of this security project, the court requested an additional bailiff position for the 2011 court's budget. See Court Statistics

During 2010, 9,160 cases were filed resulting in approximately 12% decrease in cases, 460 cases were reactivated and 853 cases were pending from 2009 for a total of 10,473 cases. The reduction in cases being filed was due in part to the decrease in police officers and the continued Cuyahoga County Prosecutor's Felony Pilot Program that went into effect in the City of East Cleveland on December 15, 2008. This Pilot Program transported all defendants charged with felonies on and after December 15, 2008 directly to the county jail to be immediately processed by the county assistant prosecutors. The resolved cases resulted in a total collection of \$1,862,688.23 in fines, fees and costs. Although there was an approximately 12% decrease in cases, the collections only decreased by approximately 2%. There were 9,485 cases terminated in 2010 leaving 988 pending cases as of December 31, 2010 to be resolved in 2011. Enclosed are comparison charts for 2006, 2007, 2008, 2009 and 2010 caseloads and finances.

The court renewed the contract with the collection agency, Capital Recovery, Inc., in order to continue increasing the collection of outstanding fines and costs. Recent laws permit collection companies to recover 100% of delinquent fines, fees and costs owed to courts. Only after all of the moneys are recovered does Capital Recovery collect the costs of its services as an additional charge to the debtor. Therefore, there is no cost to the court or loss of outstanding revenue. The court allowed defendants to enter into a payment plan which gave the defendants additional time to pay the fines and costs. The defendants that failed to honor the payment agreements were referred to the collection agency and warrant blocks and license forfeitures were issued. Defendants that were unable to pay their fines and costs were referred to the Community Service Work Program (CSWP) and were assigned to the Court, various departments in the City, churches and nonprofit organizations. Even though this has increased the workload of the court's staff, it was necessary to increase collections during the sluggish economy in northeast Ohio. The CSWP generated \$64,415.75 from 9,202.25 hours of service (see Probation Report).

The court initiated a joint Amnesty Program with the East Cleveland Police Department to reduce outstanding warrants, parking tickets and increase revenues from February 1, 2010 to April 1, 2010. During this 2 month period of time over 366 defendants appeared and warrants were recalled. The cases were resolved and the sum of \$77,586.00 in fines, fees and costs were collected.

The court participated in the Fugitive Safe Surrender for Cuyahoga County from September 22 to September 25, 2010. There were a total of 7,431 fugitives that appeared. The court dealt with 223 defendants of whom some had multiple cases in the East Cleveland Municipal Court. This court was the only suburban court that was on site at Mt. Zion Church for all 4 days disposing of cases.

The physical conditions of the areas assigned to the court are in need of plastering and painting, new or repaired ceiling lights, new carpet and/or floor tile, replacement of furniture, signage, file room and storage space and etc. A few of these physical conditions were corrected and will continue to improve throughout 2011. The courtroom was completely renovated with new chairs, carpet and paint but the windows still need to be replaced. These physical conditions are throughout the city hall and other city buildings. There was no building security except for the security of the courtroom by the bailiffs. The security of the building was evaluated by the Ohio Supreme Court's Security Services Manager in August, 2006 with many recommendations including the building a new facility. Some of the recommendations have been completed. The court applied for a grant entitled "Civic High Risk Security Project" through the Ohio Office of Criminal Justice Services under the American Recovery and Reinvestment Acts to improve security in the court and city hall. The grant was funded and 1.5 Security Bailiffs were hired to screen and search all visitors and employees without identification cards entering the city hall via walk through metal detector and handheld metal detector. They also patrol the halls in city hall maintaining order. This Project went into effect on October 1, 2009 and will terminate on April 31, 2011.

The court continued to improve its computer technology. The court computers were rotated and/or replaced in accordance with the maintenance schedule. The court docket went online September, 2009. The defendants and/or parties can review their cases and pay traffic tickets online. In 2010, the case management system (CourtMaster/2000) was upgraded to include the E-ticket integration with the police department for criminal/traffic clerk office and

the Pitney/Bowes Certified Mailer and Civil Bench Processing integration with the civil/small claim clerk office. These upgrades will reduce manual labor and human errors, increase efficiency and overall satisfaction.

The court continued to develop and update forms and procedures to increase the court's efficiency. The court continued to find solutions to address the issue of storage of court files, since the recent laws require that the court files be retained for 50 years. Currently, the court is paying to have the old court files stored offsite. The newer court case files are stored in a converted file room in the Criminal Clerk's office which has increased the court's efficiency and reduced the number of misplaced court files. A new filing system was installed in the criminal and civil clerk office, December, 2010. There is significantly more filing space but the storage of files will remain a problem. Therefore, the court is working with its case management vendor to implement imaging of case files by November, 2012 if there are funds available and to destroy the case files that are 50 years and older currently stored at the Helen S. Brown Center.

The Supreme Court of Ohio has a Specialized Docket Section which assists courts in the development of Mental Health, Drug, Domestic Violence and etc. dockets throughout the State of Ohio. At the beginning of my term, I thought that a Drug Docket may be needed but after reviewing the case types over the last 4 years there is a need for a Domestic Violence Docket and not a Drug Docket. The court visited the Domestic Violence Docket at the Mansfield Municipal Court and met with the Managers from the Supreme Court to initiate a Domestic Violence Docket. The court is still developing a Domestic Violence Docket with a target date of July, 2011 for implementation.

The court continued a partnership with the Cleveland Municipal Court's "Get on Track Program" (GOT). This program allows probationers to attain High School diploma, G.E.D. or occupational training, find and maintain employment, attain and maintain valid driver's license and insurance, complete a community service project and increase self esteem through group motivational sessions. This program makes it more efficient for the probation officers to carry-out the orders of the court.

The court continued a partnership with Shaw High School for students in the Criminal Justice Program and the Street Law Program to get court experience in the J.U.S.T.I.C.E. Program which stands for Junior Understudy Simulation Training Internship for Court Experience. The students in the Criminal Justice Program received court experience as a junior bailiff on Wednesday and Thursdays during the school year. During the summer, 2 students were placed in the court for 12 weeks through the Youth Opportunities Unlimited Program. They worked 25 hours per week receiving experience in the Bailiff Department, Clerk Department and the Probation Department. Due to budgetary restraints the court was not able to hire any students in the fall. Judge Walker served as one of the legal advisors for the Shaw High School Mock Trial Teams for the third year and opened the courtroom on weekends and evenings for practice sessions. The Shaw High School Mock Trial Teams advanced to the regional competition and competed in the state mock trial. Judge Walker also participated in the 3RS Program sponsored by the Cleveland Metropolitan Bar Association teaching constitutional law to students at Shaw High School in order to increase the students' Ohio Graduation test scores in social studies.

Judge Walker continued serving on the Ohio Supreme Court Domestic Violence Advisory Committee and past President of the Northern Ohio Municipal Judges Association, as well as memberships in various judges associations.

The East Cleveland Municipal Court thanks Mayor Gary Norton, Chief Ralph Spotts, and Law Director Ronald Riley along with their capable staffs. Without their dedication and professionalism this court would not be able to accomplish its goals of continued high quality judicial service. The Court also thanks the East Cleveland City Council Members for the passage of important legislations that have a direct effect upon the court.

Respectfully submitted,

CLERK OF COURT

**ANNETTA L. FISHER
CLERK**

CLERK OF COURT'S REPORT

The purpose of this report is to inform the public of the operations of the clerk's departments in 2010, and communicate its future plans. State law mandates that this department collect and disburse moneys and maintain the records of the court. This department responds to the state auditor, the Ohio Supreme Court, the Ohio Bureau of Motor Vehicles, the City of East Cleveland, attorneys, prosecutors, litigants and law enforcement agencies.

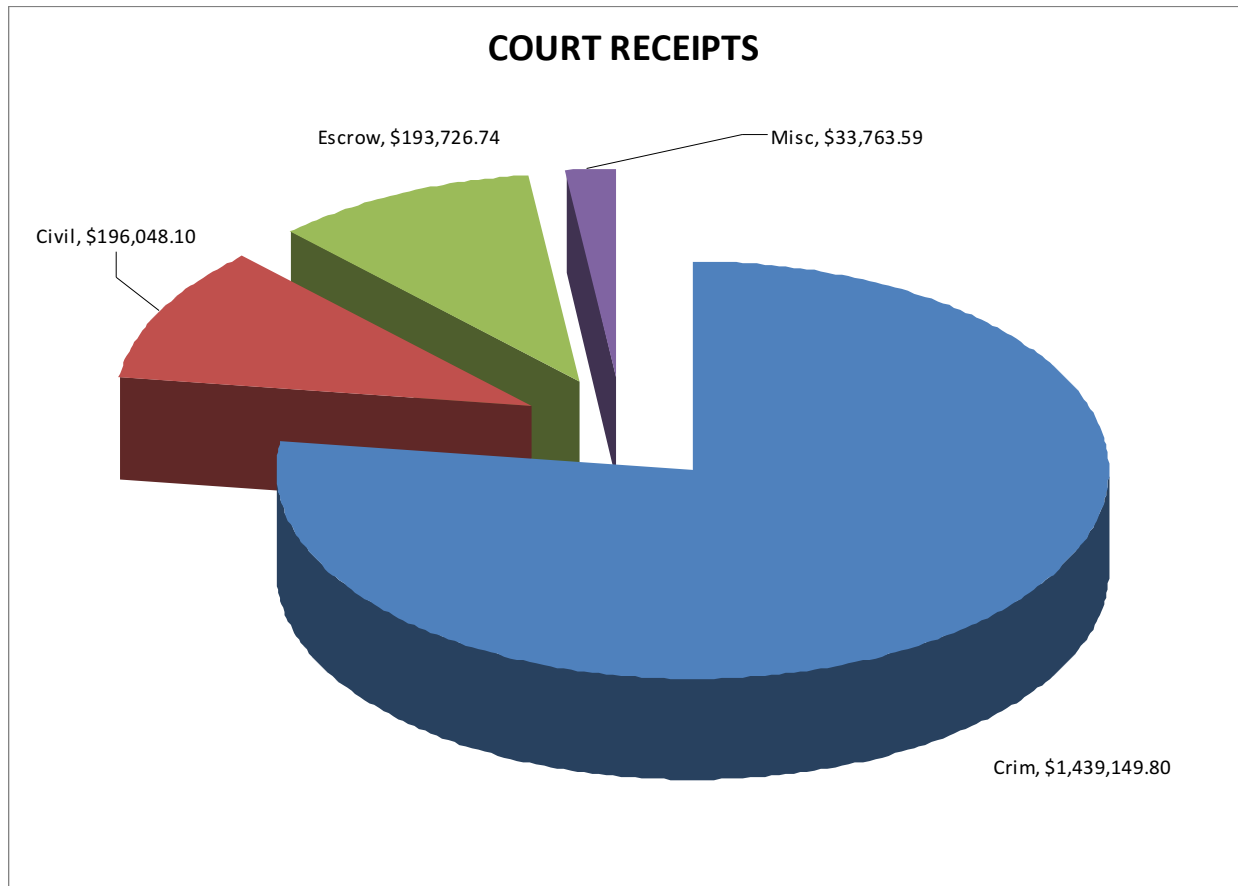

FISCAL MATTERS

The clerk's department is responsible by law for receiving and collecting all moneys payable to the court. Moneys payable to the court are received as fines on traffic and criminal cases, judgment payments, garnishment payments on civil cases, eviction cases, small claim cases, contract cases, state fees and court costs on all types of cases. The court is a mere repository that receives the funds and subsequently disburses them to the city, the county, the state and the proper individuals according to law.

MONEYS COLLECTED

In 2010, the court collected \$1,862,688.23 in court costs, fines, county and state fees. This includes \$196,048.10 in court costs from civil and small claims actions, \$1,439,149.80 in court costs and fines from traffic and criminal cases. The court collected \$193,726.74 in garnishment and judgment payments associated with civil cases. The court also collected \$33,763.59 in miscellaneous fees for weddings, probation fees, and confiscated cell phones. The chart below shows the moneys collected in year 2010.

*Escrow: Garnishments, Trusteeships & Rent Deposits
 ** Misc., Weddings, Probation Fees, Confiscated Cell Phones

CASES FILED

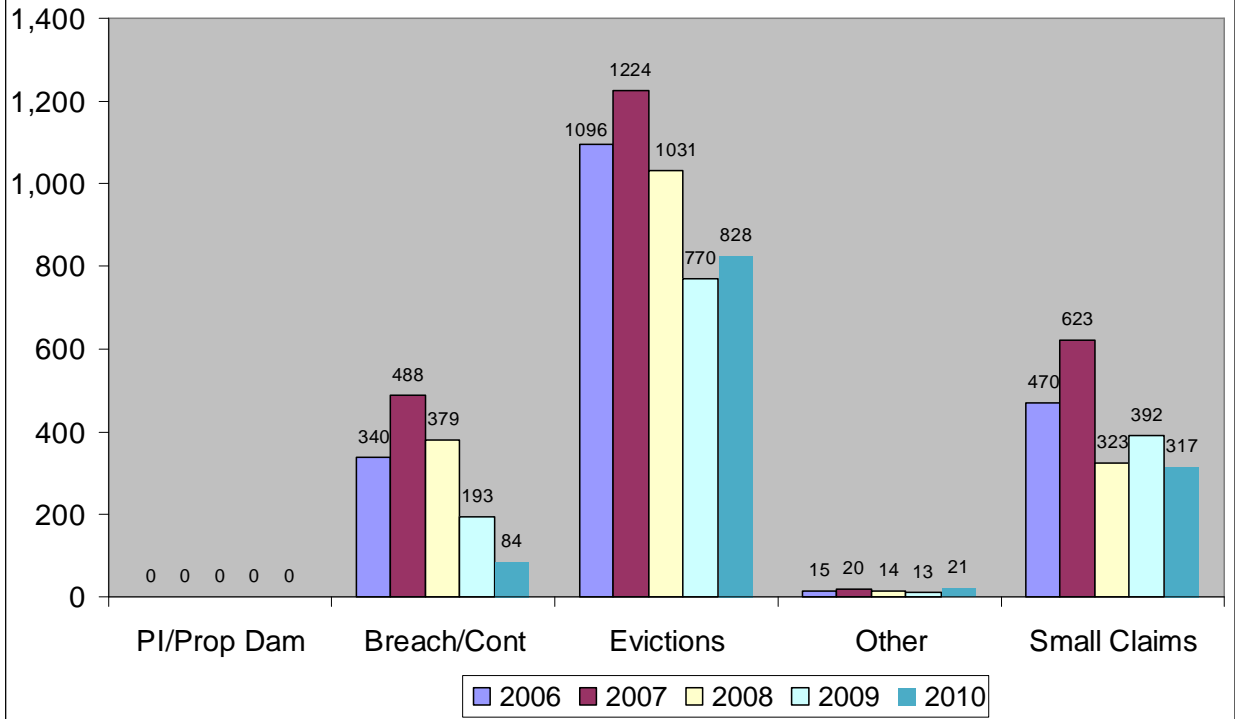

The amount of money which comes into the court is usually directly related to the number of cases filed. For example, the court collects fines and associated costs only on criminal and traffic cases that are filed in the court. The court also collects civil and small claims costs.

The total number of cases filed in 2010 was 9,160, which was a decrease of 1,307 cases or 12% from 2009. There were 460 cases reactivated and 853 cases pending from 2009 for a total of 10,473 cases to resolve in 2010. The decrease in cases was partly due to the decrease in police officers and the modification in handling the felony charges which were referred directly to the county. The revenues collected slightly decreased by 2% even though there was a 12% decrease in cases. The civil cases decreased slightly.

COMPARISON OF NUMBER OF NEW CASES FILED BY YEAR

CIVIL CASES

MONEYS DISTRIBUTED

The manner of disbursement of court moneys as established by statute is followed by this court. Fines and costs were distributed to the City of East Cleveland as well as the miscellaneous income from the Computer Fund and the Special Project Fund; fines and fees were distributed to the State of Ohio and Cuyahoga County. An additional portion of court costs paid by litigants was directed into special fund accounts which are the Special Project Fund and Computer Fund. Moneys from civil garnishment or judgment payments were paid to the appropriate judgment creditors.

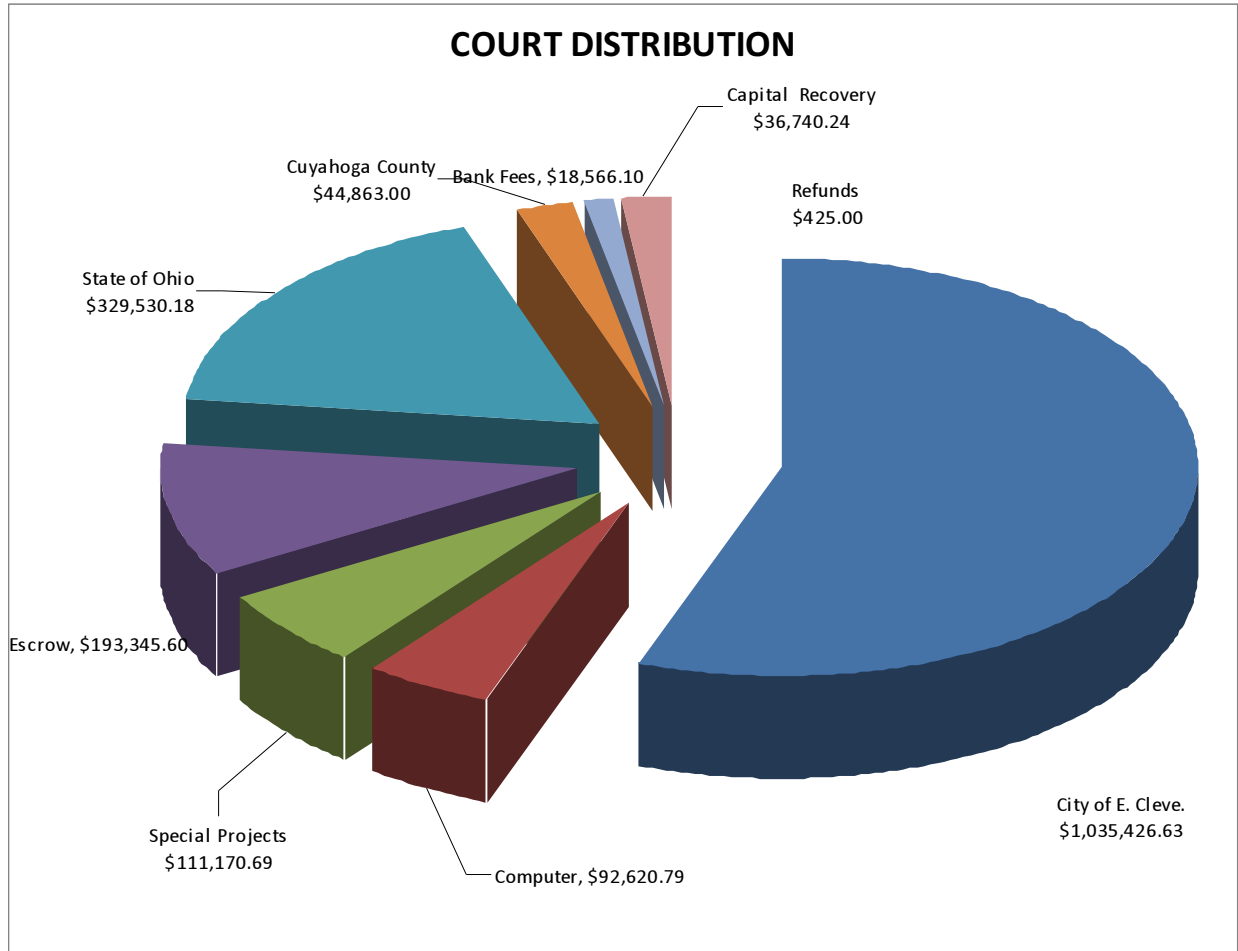

Moneys were distributed to the City of East Cleveland as follows:

Civil	\$144,601.10
Criminal	\$832,687.84
Computer Fund	\$ 92,620.79
Special Project Fund	\$111,170.69
Bond Forfeitures	\$ 32,421.00
Probation Fees	\$ 33,353.59
Indigent Funds	\$ 5,312.00
Weddings	\$ 180.00
Cell Phones	\$ 230.00
Unclaimed Funds	\$ 3,134.40

Revenue was distributed to the State of Ohio and the County of Cuyahoga in accordance with law. The sum of \$329,530.18 for fines and state fees were sent to the state to increase Ohio's general fund and to pay for various state programs. Fines were generated from criminal, traffic and seat belt offenses charged under the Ohio Revised Code. This court is mandated to collect and distribute to Ohio various fees which support the state's Victims of Crime and Crime Stoppers programs. An additional sum of \$16,891.00 was collected as required on civil and small claims case filings for the Ohio's Legal Aid program. Unfortunately, East Cleveland Municipal Court receives no benefit from this distribution because Legal Aid does not provide attorneys for defendants charged in Cuyahoga County's suburban municipal courts. The sum of \$44,863.00 was sent to Cuyahoga County for fines and mandatory fees collected from criminal/traffic cases to support the Cuyahoga Regional Information System (CRIS), Crime Stoppers, Criminal/Violations Bureau and the County Law Library.

The following chart illustrates the distribution of fines, costs, and fees collected.

FISCAL CONSTRAINT

The court continued to remain self-supporting. To this end and as permitted by statute, the court charges fees to fund special accounts which are the Court Computer Legalize Fund and Court Special Project Fund. These funds assist in maintaining the court's case management system, court and clerk computers and networking systems, training, facility upgrades and etc.

There are thousands of fines and costs that have been outstanding for many years. The contract with Capital Recovery, Inc. assists in the collection of those fines and costs. The payments of fines and costs were made easier by adding the credit card processing terminals and the ability to pay by telephone. The court docket, payment of fines and costs via internet went in to effect September, 2009. In order to reduce the number of out standings warrants (inactive cases) and increase revenue, the Amnesty Program was initiated from February 1, 2010 to April 3, 2010 resulting in the resolution of over 366 cases and a collection of \$74,756.00 in fines, fees and costs. The court participated in the Cuyahoga County Fugitive Safe Surrender Program from September 22 to September 25, 2010 with the resolution of over 223 cases.

The costs of postage, utilities, gas, supplies and etc., have increased. The Clerk and the Court will continue to review the fines and costs and determine whether an increase is necessary in the future. Efforts are continuously made to decrease costs, to increase efficiencies and productivity. The defendants and/or parties can review their cases and pay traffic tickets online, the case management system (CourtMaster/2000) will be upgraded to include the E-ticket integration with the police department for criminal/traffic clerk office, the Pitney/Bowes Certified Mailer and the Civil Bench Processing integration with the civil/small claim clerk office which will reduce the number of man hours inputting data into the computers, reduce errors and increase efficiency.

RECORDS MANAGEMENT AND PUBLIC SERVICE

The Clerk of Court is statutorily responsible for proper maintenance of court records in addition to collecting and disbursing moneys. Year 2010 was challenging for record retention as the court's records were and continue to be in several locations in the city. These records must be located and organized. A new filing system was added to the criminal and civil clerk office for increased filing space. The initiation of an imaging of files and electronic filing is being researched. This project will take several years due to the financial climate.

Record retention was the subject of litigation in Ohio and the Ohio legislature responded by passing a law in 2006 that will require courts to preserve files much longer than before. For example, the length of retention required for a closed D.U.I. case file had been 7 years. The new law required retention of a D.U.I. case for 50 years. Retention of first through fourth degree misdemeanor traffic files have been expanded from 5 to 25 years. Criminal misdemeanors must be kept for 50 years under the new law. This new law poses a considerable challenge to secure adequate accessible storage facilities for every court in Ohio. Offsite storage is a necessity that will cause costs for space rental and retrieval services to increase.

PROBATION DEPARTMENT

**ROBERT L. HENRY, III
CHIEF PROBATION OFFICER**

CHIEF PROBATION OFFICER'S REPORT

The probation department is staffed with two full-time probation officers and one part-time officer. These officers are responsible for a wide range of tasks which include conducting critical pre-sentence investigations, preparing reports on criminal and serious traffic matters and general supervising of defendants' involvement in many court-ordered programs. The department provides assistance in placement of chemically dependent and mentally disturbed defendants in community-based programs that provide treatment. The officers monitor attendance of violent defendants in anger management and anti-abuse education programs, direct victims of crime to appropriate support services, and refer indigent defendants to community service work sites where they may work off outstanding fines. Historically, offenders were typically sentenced to at least six months of active probation, some for one to three years, and ordered to complete domestic violence, anger management, parenting and/or individualized counseling programs. Many were also ordered to obtain assessments and follow any treatment plans recommended (including taking medication as prescribed), to maintain employment or school/GED enrollment, and to refrain from consuming alcohol and/or non-prescription drugs. Mental health issues remain a prevalent fact in many situations, therefore the probation officers network extensively with the Cuyahoga County Mental Health Court Initiative, Murtis Taylor and Recovery Resources to obtain quality assessments, recommendations and services for mentally ill defendants. The East Cleveland Domestic Violence Program continues to work closely with the probation department and the court.

The Probation Department works closely with the Cleveland Municipal Court's "Get on Track Program" (GOT). This program allows probationers to attain high school diploma, G.E.D. or occupational training, find and maintain employment, attain and maintain valid driver's license and insurance, complete a community service project and increase self esteem through group motivational sessions.

The Cuyahoga County Jail has limited spaces for misdemeanor prisoners sentenced to serve time by municipal courts. Therefore, the court continued to utilize the electronically monitored home arrest program to provide a viable alternative to incarceration. This program allows part or all of a jail sentence to be served at home under electronic supervision. Defendants in this program are responsible for the program costs.

Community Service Work Program (CSWP):

The East Cleveland Municipal Court Community Services component has been a tremendous asset to the various departments for the City of East Cleveland.

The program has provided assistance to the following departments:

- Community Development
- Court
- Fire Department
- Helen S. Brown Senior Center
- IT Department
- Lands & Buildings
- Parks & Recreation
- Service Department
- Vital Statistics

In addition to the service provided to the various departments, assistance is also provided to city council members in their annual clean up events upon their request.

In 2007 a relationship was established with the Court Community Service Organization of Cuyahoga County. The probationers were referred to this organization and they were placed back in the East Cleveland Community as needed. This organization assisted the Probation Department in managing and tracking our community service referrals. This partnership allowed the City of East Cleveland to benefit from an increase of community service hours.

In closing, the Community Service Work Program documented a total of 9,202.25 hours, which equates to \$64,415.75 in savings via the community service efforts, at a rate of \$7.00 per hour. This is an increase of 2,264.30 hours and an additional \$15,850.10 in savings from 2009. The CSWP benefited nonprofit organizations and churches, in addition to the Court and the City of East Cleveland's various departments.

BAILIFF DEPARTMENT

**STEVEN LINTON
CHIEF/PERSONAL BAILIFF**

CHIEF BAILIFF'S REPORT

I. Introduction and Overview.

The Bailiff Department of the East Cleveland Municipal Court is responsible for the safety and security of all persons entering the courthouse, including the judge, jury, court personnel, witnesses, victims, plaintiffs, defendants and the general public. The Bailiff Department:

- ☞ Insures that courtrooms, chambers and jury rooms are ready for use; makes certain that all parties and clerical support personnel are in attendance; announces Judge and magistrates and calls court to order.
- ☞ Maintains order during court sessions and remains alert to possible disturbances; provides security for the Judge and magistrates in attendance; obtains materials needed by the Judge and magistrates during proceedings; restrains persons and escorts them out of court upon Judge's or magistrate's directive and places persons held in contempt of court under arrest, escorting them to proper authorities; closes and secures courtroom.
- ☞ Calls jury pool to have panels ready to be brought to court; contacts pool for additional jurors as needed; escorts jurors to jury room during recesses and insures their presence after such recesses; answers questions of jurors as to court procedures.
- ☞ Remains with impaneled juries outside the jury room; escorts them to lunch or supper as the Judge dictates; orders food when jury is deliberating at length or at night; arranges hotel accommodations for jurors in event the jury is sequestered and returns juries to court after verdicts are reached.
- ☞ Escorts jurors to their transportation during evening hours or when travel outside the courtroom is necessary for any reason during trials.
- ☞ Calls witnesses into court for testifying and sees that they remain outside hearing of court during trial; conducts witnesses to the stand; excludes witnesses when rule is invoked.
- ☞ Orders needed files for hearings and places in proper sequence; insures that all necessary files are on hand; obtains files for ensuing day's calendar; photocopies papers in evidence, letters and documents; cancels motions and hearings as necessary.
- ☞ Telephones attorneys as to the time to report for trial, as needed; calls attorneys into chambers at hearing time; assists the secretarial staff when necessary by answering telephones, opening mail or maintaining case records or forms.
- ☞ Supervise move-outs after judgments for possession in forcible entry and detainer actions.
- ☞ Escort prisoners to hearings before the Court, oversee their activities during proceedings and return them for further processing as ordered by the Judge or magistrate.
- ☞ Service of process.
- ☞ Research and pull reports for driver's licensing from Bureau of Motor Vehicles records;
- ☞ Run LEADS reports for criminal history and warrant checks.
- ☞ Maintains the Judge's trial calendar; oversees orderly docket administration.
- ☞ Performs related work as required.

The Bailiff Department is staffed by experienced and able officers of the court who have trained and completed the Ohio Police Officers Training Academy. Officers have a combined 34 years of experience. Due to the High Risk Civic Security Grant, the Bailiff Department was increased by 1.5 security bailiff in October, 2009. The grant will terminate April 30, 2011. The security bailiffs are responsible for screening and searching all visitors entering the city hall and for

security throughout city hall. This grant has increased overall security in the halls and courtroom. The court has requested 1 additional bailiff in the 2011 budget to be able to continue the security in city hall.

II. Departmental Statistics

The Bailiff Department is responsible for not only maintaining the security in the Courtroom and keeping track of trial information but, most importantly, the personal safety of Judge Walker. The Bailiffs also insure court documents are issued to the involved parties for scheduled court appearances and that move-outs are performed in eviction cases.

III. Conclusion

The Bailiff Department's participation in pertinent educational and skill enhancing activities is ongoing. The East Cleveland Municipal Court Bailiffs are well-trained, experienced and zealously dedicated to executing their duties to the Court and to the public with the utmost care and effectiveness. The Bailiffs will continually endeavor to maintain a high level of performance and care in wielding the power of this important arm of the court.

COURT PERSONNEL

Sandra L. Walker
Presiding and Administrative Judge

Judge Walker was elected to the East Cleveland Municipal Court in November, 2005. Her term started January 1, 2006. Judge Walker graduated from Kent State University, June, 1972 with a B.S. degree in Nursing, from University of Michigan, May, 1975 with a M.S. degree in Nursing, and from Cleveland Marshall College of Law May, 1982 with a J.D. degree in Law. She was admitted to the Ohio Bar in October, 1984.

In her twenty-six years of service in the legal profession, she has worked a variety of public service positions as an attorney. Immediately after finishing law school, she worked as a plaintiff/defense attorney. With two years of experience in the field of law, she began to serve as the Court Magistrate in the East Cleveland Municipal Court and in 1991 she started working for the Cuyahoga County Prosecutor's Office as an Assistant Prosecuting Attorney. Over the next fourteen years, she has gained experience in the supervision of varying sized professional staff. As a Supervising Assistant Prosecuting Attorney, she was responsible for the work of 45 people, created and managed budgets as significant as \$2,500,000 and learned the application of a wide range of laws at the local, state and federal level with an emphasis on Child Support Enforcement and Domestic Relations issues.

Judge Walker continued a partnership with the Cleveland Municipal Court's "Get on Track Program" (GOT), since September, 2006. This program allows probationers to attain high school diploma, G.E.D. or occupational training, find and maintain employment, attain and maintain valid driver's license and insurance, complete a community service project and increase self esteem through group motivational sessions.

Judge Walker continued a partnership with Shaw High School for students in the Criminal Justice Program and the Street Law Program to get court experience in the newly developed program called J.U.S.T.I.C.E. which stands for Junior Understudy Simulation Training Internship for Court Experience, since February, 2007. Judge Walker served as one of the legal advisors for the Shaw High School Mock Trial Teams and opened the courtroom on weekends and evenings for practice sessions, since October, 2007. Judge Walker also served as one of the instructors in the 3RS Program sponsored by the Cleveland Metropolitan Bar Association teaching constitutional law to students at Shaw High School in order to increase the students' Ohio Graduation test scores in social studies, since 2009.

Judge Walker has been a member of the Ohio Supreme Court's Domestic Violence Advisory Committee, since April, 2006. Past President of the Northern Ohio Municipal Judges Association, she was elected in January, 2009. She has been a member of the Single Judges' Committee of the Ohio Municipal and County Judge Association, since 2007. She is also a member of the Ohio Judicial Conference, the American Judges Association, the National Association of Women Judges, the Ohio Bailiffs and Court Officers Association, the Norman Minor Bar Association, the Cleveland Metropolitan Bar Associations, the Glenville Alumni Association, the Delta Sigma Theta Sorority, and the Executive Women's Golf Association.
